THANK YOU

Dear Los Angeles Society for Coatings Technology:

Now more than ever, your heartfelt generosity empowers the Cal Poly community and inspires hope during unprecedented times.

Thank you for supporting the Kenneth N. Edwards Western Coatings Technology Center Expansion Fund and loyally championing our students, faculty and staff. You exemplify what it means to be part of the Cal Poly family, and the impact of your commitment will be felt throughout our campus and greater community.

Your dedication to Cal Poly in the midst of this crisis exemplifies the power of our community and the strength of collective compassion. As the university faces new challenges along with the rest of the world, we are focused on supporting students and faculty as they continue to collaborate, learn and lead in innovative ways. We are grateful to you for making a difference in their lives, and for ensuring our Learn by Doing legacy will continue to thrive.

By supporting Cal Poly's Learn by Doing experience, you are equipping students with the knowledge and resources they need to contribute meaningfully to the world around them. Thank you for thinking of them, and know that we are sending our best wishes to you and the people close to you.
